

# Conditional Acceptance Letter

## Informing Venture Teams of the Panel's Decision

<Date>

<Venture Name>

<Address>

Dear <Venture Name>,

Congratulations! As a result of your excellent Venture idea and presentation, the Selection Panel chose you as a Youth Venture team. We are proud to have you join our growing movement of young leaders! As you begin, there are a few details we need to cover with you.

The Selection Panel has directed that you think about and address the following issues before you begin your Youth Venture:

<Provide constructive feedback so that the Venture Team can revise their Action Plan. Please provide a deadline by which the revisions need to be complete.>

Once we receive these required items, we will process the grant check for your team. It takes approximately two weeks for the grant check to be received by teams once we have received complete information.

Again, congratulations on becoming Youth Venturers. We are all very proud of you!

Sincerely,

<Sender's Name and Signature>
