<Address>

Dear <Venture Team>,

Congratulations! As a result of your outstanding Venture idea and presentation, the Youth Venture Selection Panel approved your group as a Youth Venture Team. We are proud to have you join this growing movement of young leaders!

This letter is primarily to inform you of the Selection Panel's decision, but we also wanted to pass along a bit of feedback from the Panel regarding your presentation, as well as to provide a couple of other pieces of important information.

First some feedback: <Provide feedback from Selection Panelists.>

Your check should arrive within two weeks. At that time, we will also send along a Youth Venture Action Kit to help you launch your new Venture and Youth Venture tee-shirts for each member of your core team.

If you have any questions, please do not hesitate to let us know. Again, congratulations on becoming Youth Venturers. We really are all very proud of you!

Sincerely,

<Sender's Name and Signature>
