## Twelve Month Self-Evaluation

Youth Venture needs to hear and learn from you! As part of the Venturer agreement letter you signed, we ask that you provide a three-month, twelve-month, and annual report to ensure that we have the information we need to nominate you for conferences, scholarships, news articles, and more.

We are also eager to use your experiences and ideas to strengthen our program, so please complete this form and return it to Youth Venture or the Youth Venture Partner representative.

Thanks for your commitment to making a difference in your communities and, through your feedback, to Youth Venture. We look forward to hearing from you.

Have you begun thinking about longer-term planning? What upcoming plans do you have? Will there be a transition in venture leadership or will you continue to lead your venture? How will your venture continue to benefit the community?

Describe your relationship with your Ally and your Partner Organization (if you have one). How have they helped you? How could they help you even more?

Have you attended in person or reviewed any of Youth Venture's events or trainings (i.e. fundraising training, media training, etc.) on our web site? If so, were they helpful? What other training sessions would be useful to you? Tell us your thoughts and ideas to make Youth Venture stronger!

What could Youth Venture do to help you more?
