Youth Venture's National Youth Advisory Council

Youth Venture's National Youth Advisory Council (NYAC) is comprised of 8 to 12 outstanding Venturers that advise Youth Venture on key organizational issues. The Youth Council is a voluntary group of young people dedicated to shaping the growth of Youth Venture and furthering Youth Venture's **"everyone a changemaker"** mission.

The Purpose of the NYAC:

- To utilize the intelligence and experience of Venturers in order to improve the efficiency and impact of Youth Venture.
- To ensure that Youth Venture has accurate and up-to-date knowledge of the issues affecting Venturers.
- To foster Venturer collaboration.

After you have sustained your Venture for 3 months and returned your Progress Report, you are eligible to apply to become part of the NYAC. For more information please email nyac@youthventure.org.

There are also regional Youth Councils in Minnesota and New York. Contact your local office for more information about regional Youth Councils. Visit www.youthventure.org for information on how to contact your local regional office.

"We are like a strong and intricate tapestry. We are individual threads, different colors, different textures, and we are made stronger woven together. That's how our team can contribute further; by maintaining our individual purpose but working together to promote the Youth Venture movement."
